HISPANIC HERITAGE MONTH

CELEBRATE & SUPPORT

Similarly to other Hispanic Heritage Month celebrations, this year we will have snacks and drinks from various latin american countries, but this time we will also ask for a voluntary small donation. We are partnering with CHIRLA and other NGOs across USA to raise funds that support immigrant rights. Monarch butterflies symbolize migration, so if you see this monarch butterfly icon, that means the product you are consuming comes from migrants and that they may need your support!
